

Namonkar Flexcon

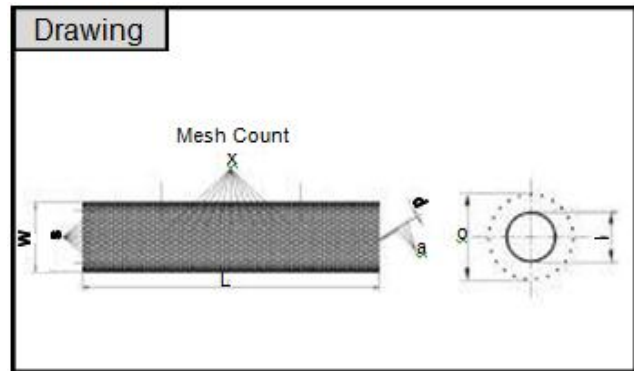

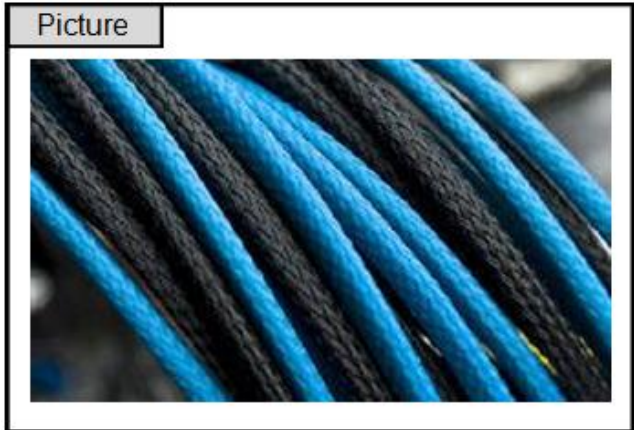

Namonkar Flexcon

Polyester expandable sleeving is flame-retardant and halogen-free. It offers durable abrasion resistance in a wide range of industrial applications. The open weave construction allows an easy installation on a bundle of hoses and cables, even if there are some with bulky or large connectors.

Totally expanded the sleeving can reach at least one point five times than the initial dimension.

Application

It's used to cover cables, wire harness, tubes, industrial hoses where an additional protection is required.

Technical data	
Material	Polyester
Operating range	- 50 - +150
Melt Point	250± 5
Flammability	VW-1
Standard colour	Black and grey
Certificate	UL, CSA, RoHS, PFOS, REACH, Halogen Free
Cutting tool	Hot knife
